Message From Our President

May 31, 2006

"The world is round and the place which may seem like the end may also be the beginning."

Ivy Baker Priest

Hello Members,

Just a quick wrap-up newsletter from the 2005-2006 season. The topics and speakers we had were an asset to our organization. For those who attended, I hope they left with a feeling of satisfaction. The new BOD will continue to meet all summer long to plan for this fall and next year's agenda. Changes implemented will be the direct result of member feedback and for that we are grateful. This entire chapter is in place to benefit the Upstate membership and we welcome and encourage your input. It's been my sincere pleasure to serve as your president this past year. The experience was rewarding and I have definitely grown as a supply chain professional because of it. Please continue to give your support to the current BOD – especially with your attendance at the meetings. Without that, we would cease to exist.

Member Meetings

First Thursday of the month @ 6:00. Best to register in advance. This provides a small discount, plus the BOD a handle on head-count for the meal, etc. www.ismscupstate.org

Technical Services

Our website will be updated once the new BOD positions have been decided and the details worked out. If you'd like to be added to a global mailing list requesting Supply Chain job opportunities, contact David Hendrix @ (864) 236-0436 x. 230 or
